ARUHI starting lifestyle services club for borrowers

June 18, 2015, Tokyo – ARUHI Corporation today announced that on July 1 it will launch the ARUHI Members Club exclusively for people taking out mortgages with the company, which is Japan's largest mortgage bank.

There will be no joining or annual fees for the new club, which will focus on enhancing the joys of ownership for people buying their home.

Members will enjoy preferential pricing on a select range of appliances, furniture, bedding, kitchen utensils, interiors and exteriors, and removal, home-delivered drinking water, and other services.

The club will eventually broaden its scope to offer removal, security, house cleaning, renovation, and childcare, nursing care, and healthcare services from partner companies.
